REPORT OF EXECUTIVE COMMITTEE.

The work of providing missionaries for such part or parts of the Association, which might be destitute of regular Pastors, or other ministerial supplies, was turned over by the last meeting of this body to the Executive Committee, and we submit this as the result of our labors. At a meeting of our Committee, held with Columbia Church, it was decided to employ Bro. D Rogers for one fourth of his time in the upper part of the Association, and Bro. J C Skipper in the lower part.

We contracted with the said Brethren to pay them twelve and one-half dollars for one-fourth of their time in each month, and the contract to run until the Association. The reports of both Brethren are very satisfactory, and especially so is the report rendered by Bro. Rogers. Bro. Rogers reports 53 days service under his contract, and Bro. Skipper reports 56 days service under his contract. We recommend the Treasurer be instructed to pay Bro. Rogers \$88.33 less the amount already advanced on said contract, and to pay Bro. Skipper \$93.33 less the amount already advanced him on contract.

We further recommend that these brethren be continued in the same fields during the next associational year for such part of their time as your body may see proper to suggest.

JNO. T DAVIS,

T T SMITH,

A B FOWLER,

A J ARMSTRONG.

3rd—Called for the report on Missions, which was read by Bro. L R Sims, and pending its adoption, the body was addressed by Brethren W M Howel, A. P Ashurst, and L R Sims. The report was adopted, and is as follows :

REPORT ON MISSIONS.

The Saviour makes it the duty of his Churches to give the Gospel to all the world.

1st. Because of Universal Brotherhood. He has made of one, all nations to dwell on all the face of the earth.

2nd. Fidelity. The Gospel is committed to God's people as stewards of the manifold grace of God. And is to be wisely and faithfully used by them.

3rd. But mainly because Chrtst commands it—“Go ye into all the world and preach the gospel to every creature,” and this is based on the *supreme authority of Christ*. He reminds his disciples that all power is given unto him, in Heaven and earth. and then says : “Go teach all nations baptizing them into the name of the Father, Son, and Holy Ghost,” &c. To refuse to obey this command is treason against the Divine government. The highest reward is promise to those who obey this command.

And "lo, I am with you alway to the end of the world." The duty is to the end, as the promised presenee is to the end. The success of the work is rendered sure by the presence of the great head of the Church.

In obedience to this command, our brethren have, since our Saviour gave it, been trying in some way, to send the Gospel to all nations. In the first part of this age, they went everywhere "preaching the word." And until the end of time will they continue to go forth with the blessed news of Salvation through a crucified Redeemer. To show their labors have not been in vain, it is only necessary to glance at our Missionary operations. Eighty years ago, there was in all heathen lands, only about fifty thousand professed Christians. Now there are, one mlllion, six hundred and fifty thousand. Take Africa, including Madagascar, and there are 386 native pastors, 156 Evangelists, besides a large number of preachers without charge, 784 schools, 48,794 pupils, of whom 20,000 can read, 166,000 who profess Christianity.

For a number of years the cause of Christ seemed to prosper more abroad than at home. One of our brethren, a returned missionary has recently published the following facts:

"The Baptist denomination in the United States, increased in the last 10 years at the rate of 6 per cent. per annum. In foreign lands at a rate of 16 per cent. per annum. This seems to signify that the Lord meant for us to labor more in foreign fields. But the field is white to harvest every where. Whatsoever we find for our hands to do, let us do it with our might. The day is far advanced, the night is near, let us work while it is day. Let us consecrate ourselves and all we have anew to Christ, that we may honor hlm with our substance. And when we return, come rejoicing, bringing our sheaves with us. "Go work," my brethren;

"Go WORK."

Respectfully submitted;

L. R. SIMS, Chairman.
